America Reads Network

[info@americareads.net](mailto:info@americareads.net)

<http://americareads.net>

America Reads Network (ARN) has been founded to fill the void that has been created by the demise of independent booksellers. We promote literacy and provide reading material by utilizing the internet's vast reach through social media and e-commerce for specific areas of interest. ARN consists of a network of social media sites that serve their actual or virtual communities with topical information, mutual interest, services and communication about authors, publishers, readers, events, meetings, book fairs, book reviews, blogs and publishing services—it's your local bookstore on the internet. ARN supports a comprehensive e-commerce site through numerous catalogs to source books in physical or e-book formats through local social sites to access any book ever published, as well as provide an economic support for their communities.

**PAGAN WEBMASTER [HTTP://PAGANWEBMASTER.COM](http://PAGANWEBMASTER.COM)**

For more than 20 years Earth Solutions and its original founder has been developing products and blends to improve quality of life. The ScentBall and CarScenter aromatherapy diffusers were developed by Earth Solutions in collaboration with Hubmar in 1995 and 1997. We were the pioneers that offered a natural plant-derived aroma alternative to an industry of artificial fragrances. On the heels of that and with the creative genius of folk artist Eric Legge, Earth Solutions took on a new look. The collection of 5 Scent Inhalers grew to twenty and became our best all time and ongoing product. The convenience and concept of affirmations associated with scents in a pocket sized inhaler was a hit.

At the core of our products is our pure Himalayan salt... and our core values. Our Himalayan salt, harvested from ancient, pollution-free seabeds, is rich in minerals and considered by many to be the purest salt on earth. Our artisan partners overseas hand-sculpt magnificent salt crystals to create exquisite lamps that are works of art and natural ionizers. We blend our salt with all natural and organic ingredients into exclusive formulas that work. We create only items we use ourselves. Our unique “living products” are freshly handcrafted in small batches, energetically enhanced, vegan, natural and organic, fair trade and eco-friendly. Our manufacturing is sustainable from formulation to our recyclable and reusable packaging. And the products we carry from associate manufacturers are chosen because they meet our standards for quality, service, and ecological and social conscience.
